between sets. The event is unique in that it's a great night out for people looking for a mature, sophisto atmosphere without the attitude and overtly 'Jersey' feeling. You won't be hearing any top 40 or radio tunes from my DJ sets, but only the best 80's, classics, funk, soul, rock, Motown, disco & house. The idea is QUALITY music for QUALITY people." Hmm - wonder if we're invited...
